Sir:

Pursuant to Applicants' duty of disclosure, enclosed is a copy of a revised PTO Form 1449. Applicants request that the Examiner review the references identified on the form, and that it be made of record in the file of the above-identified application.

Because the references identified on the enclosed revised PTO Form 1449 were provided to the Patent Office during the prosecution of parent application no. 09/582,051, copies of those references are not provided herewith. However, if they are requested, copies of those references will be provided. The references were cited on the International Search Report, a copy of the International Search Report is also enclosed.

Identification of the foregoing references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited."

No fee is believed to be due for this submission as it is being submitted prior to a first Office Action on the merits in this case. Should any fee be required, please charge such fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,

Date February 20, 2002
